

ASC CLD Frequently Asked Questions

The Adult Social Care Client Level Data (ASC CLD) has a dedicated webpage, found [HERE](#), which contains information supporting local authorities with the onboarding and data submission process, IG requirements & information alongside other key artefacts.

This document provides links, information and resources for some of the areas where issues and questions commonly arise.

1. Linked health and ASC data

Q1. What health data will I potentially be able to see linked with the Adult Social Care data once I am able to submit ASC CLD?

A1. Below is a link that takes you to NHS Digital's webpage which lists all available commissioning datasets under the heading "ICB Commissioning". If you scroll further down the page you will find links for each dataset that allows you to access more information on each dataset and what it contains

Please click [HERE](#) for dataset information

Q2. How do I get access to linked, pseudonymised ASC and health data?

A2. We will enable this process for you, working with your local CSU. Please contact agem.adultsocialcare@nhs.net in the first instance.
