

Dear NIVS Users,

Please disseminate the below communications to all in your organisation who use NIVS

Unsuccessful Release

Please note that the below release was unsuccessful and the NIVS Team are unable to roll out these new features. The NIVS Team will schedule the release for a future date and issue further communications closer to the time of the rescheduled release.

NIVS will be unavailable between 22:00 – 23:00 on 14 June 2023 to allow the following changes to be implemented.

Full Vaccination History

On the evening of 14th June 2023 NIVS will be making a change that will present you with a view that provides a patients Full Vaccination history for Flu and COVID-19 vaccination events. NIVS Vaccinators will be presented with additional information (see the below images from Pre-screening)

The screenshot shows the NIVS interface for patient RUK Williams (NHS Number: 9437104500, Date Of Birth: 20/04/1967, Gender: Male, Postcode: SE5 4LP). It displays vaccination records for both Flu and COVID-19. A red box highlights a 'Show All (3)' button at the bottom right of the COVID-19 vaccination table.
