

The Complete Care Community Programme Symposium

'Establishing the evidence and providing the solutions to health inequalities in England' **James Kingsland OBE, hosted by Inspire Evolve Events**

Two day event on 29th February 2024
Overnight Accommodation included
1st March 2024

150 invite-only NHS decision makers

ICSs are partnerships of organisations that come together to plan and pay for health and care services to improve the lives of people who live and work in their area. NHS, GPs, local councils and the community and voluntary sector – plan how best to deliver these services so that they meet the needs of local people, are high quality and are affordable.

Inspire Evolve Events
Connecting suppliers with public sector
leaders.

Why Inspire Evolve Events?

We are on a mission to create a repeatable model where public sector suppliers and leaders are able to work in synergy, with the ultimate goal of the betterment of public sector services provision.

Brand Visibility: Gain significant exposure and recognition by aligning your brand with a trusted and respected institution like the NHS, increasing your brand's reach and credibility.

CSR and Philanthropy: Showcase your corporate social responsibility by contributing to the improvement of healthcare. Show your stakeholders that the future of the NHS matters to your organisation.

Networking Opportunities: Sponsorship offers exclusive access to key stakeholders and decision-makers in healthcare, enabling valuable connections and potential partnerships within the industry.
